SALES PRICE : **\$19.95**

### PRODUCT DESCRIPTION

Core Synthetic advanced barrier lubricant is used to lubricate, penetrate, protect and preserve all types of machinery and is superior to most ordinary shedder oils. This lubricant can be used on all metals, rubber, plastic, in marine and mining applications, on industrial equipment, and home appliances or auto parts. It s non flammable, non toxic, ozone safe and biodegradable; there is simply no other lubricant like it that is safe for as many applications.
