PRODUCT DESCRIPTION

Dahle 842 17 Professional Stack Cutter **FREE SHIPPING** Dock to Dock Dahle Stack Cutters are manually operated, yet can easily slice through up to 200 sheets of paper at a time. Acrylic safety shields can be found on both sides of the blade, preventing blade movement while in the up position. Once the shields are in place, you can cut cleanly through 200 sheets of paper with minimal effort. This clean, burr free cut through such a thick stack of paper is made possible through a ground Solingen Steel Blade and a paper clamp that distributes pressure evenly across the cutting surface. The Dahle 842 Stack Cutter is accompanied by a Dahle floor stand, providing a sturdy base that ensures a precision trim with each cut. **FREE SHIPPING** Dock to Dock **FEATURES** Dimensions 28 x 23 1/4 Cutting Length 17 Cutting Capacity 200 Sheets Cuts Large Stacks of Paper to Precise Dimensions Integrated Safety Cover Prevents Injury Ground Steel Upper Blade Quick Action Clamp Secures Materials Across Cutting Surface Dahle Floor Stand optional Dimensions L x W x H 28 x 23 1/4 x 18 Product Weight 89 lbs Shipping Weight 100 lbs Ships by Truck Item can only be shipped by freight truck.
