PRODUCT DESCRIPTION

The Intimus Simplex desktside shredder is a classic model with electronic controls via one multi function button. It cuts up to 12 sheets of paper at a time into 1/8 shreds. Features include an light sensor that detects when the paper has been places near the opening of the machine and automatically begins shredding, auto reverse, visual ready light indicators, and a thermally protected motor. Its hardened steel cutters accept paper clips and staples. This low cost standard model is a great companion for any office.
