PRODUCT DESCRIPTION

The FMC J 1 164475 E Paper Jogger is a lightweight two bin jogger model with metal incline for hands free jogging and wooden bin separators capable of aligning up to 750 checks at one time. The FMC J 1 164475 E Paper Jogger has a vertical vibration system for automatic jogging of paper ranging from the smallest cards to 8 1 2 x 14 paper. The bin rack design slots aid in the removal of loose paper clips, staples, dust and dirt from the material. Perfect machine for aligning checks, statements, bill notices, and efficiently settles contents of any material incased in a small container or envelope prior to opening.
