### PRODUCT DESCRIPTION

Keencut Sabre Series 2 General Purpose Paper Cutter The Keencut Sabre Series 2 General Purpose Paper Cutter is designed to cut a wide range of sheet materials including foam core and paper. The unique design of the 60735 ensures a straight, square and clean cut with every operation. The innovative hinge and lift arm mechanism makes it possible to cut materials which are longer than the length of the cutter. Superbly styled, the extruded and silver anodized aluminum base incorporates a narrow groove to accept the blade tip when cutting. A full length silicon rubber grip strip mounted in the surface of the base and two more on the underside of the cutter bar ensures all work is held perfectly in place while cutting, and provides protection for even the most sensitive surfaces. WARRANTY 5 year comprehensive guarantee excluding replacement cutting wheels . 20 year sliding track and slide bearing guarantee against failure.
