PRODUCT DESCRIPTION

The Martin Yale 1335PB three hole punch has a power handle that provides more leverage allowing for easier punching. It is capable of punching up to 50 sheets per punch. The Martin Yale 1335PB hole punch punches holes with an 11 32 diameter. The 1335PB can accommodate up to 7 or as little as 2 punching heads for different punching patterns. The adjustable ruled paper guide ensures exact centering of paper. The margin depth can be adjusted for custom punching.
