PRODUCT DESCRIPTION

The Martin Yale 1325B three hole punch is capable of punching up to 50 sheets per punch. It punches holes with a 9/32 diameter. The 1325B can accommodate up to 7 or as little as 2 punching heads for different punching patterns. The adjustable ruled paper guide ensures exact centering of paper. The margin depth can be adjusted for custom punching. Optional pull handle available to exert less physical effort.
