### PRODUCT DESCRIPTION

The Martin Yale 1325PB three hole punch has a power handle that provides more leverage allowing for easier punching. The Martin Yale 1325PB hole punch is capable of punching up to 50 sheets per punch. It punches holes with a 9/32 diameter. The 1325PB can accommodate up to 7 or as little as 2 punching heads for different punching patterns. The adjustable ruled paper guide ensures exact centering of paper. The margin depth can be adjusted for custom punching.
