PRODUCT DESCRIPTION

The Neolt EVFT160 63 inch foam board trimmer cuts rigid boards up to 1.18 thick and Sintra boards up to .47 thick. Up and down motor control is used to make bi directional cuts, and it even includes a panic stop button, which halts all operations in case of emergencies. To accurately align materials, the Laser Designator system shines an intense beam of light across the cutting line. Four sizes of cutting heads are included when you purchase this trimmer 5, 10, 20 and 30mm. Oversized left and right lateral extensions are available.
