PRODUCT DESCRIPTION

Neolt 63 Inch Manual Horizontal Foam Trimmer FT160 The Neolt FT160 is a 62 Inch foam board trimmer that can cut standard foam boards up to 1.18 Inch thick. The trimmer comes with two steel cutting heads 10mm and 30mm , which allow you to cut accurately using the aluminum guide rail. The fixing bar acts like a paper clamp and secures the material to be cut. Foam Trim Plus, Horizontal Manual with Fixing Bar, Stand A Robust Manual Foam Trimmer with fixed blade cutting head. System will cut standard foam board up to .5 inches thick. Trimmer comes with two hardened steel cutting heads 10mm and 30mm which are precisely aligned by an aluminum guide rail. The system is equipped with a fixing bar for stabilizing material being cut. An optional Laser Designator is available. The Laser Designator generates a florescent red cut line, designating precisely where the cutter blade will cut. The system comes with a stand, creating a work surface height of 35.8 inches
