### PRODUCT DESCRIPTION

The FMC J 50 B 207859 A Paper Jogger is equipped with two more bins than the 4 pocket rack paper jogger to hold larger capacities of checks, tab cards, time and payroll cards. The joggers six vertical slant bins are manufactured out of hardwood maple for durability and mounted at a 45 degree angle to allow for hands free jogging. Financial institutions and banks will find it effective for aligning stocks and bonds, receipts, statements, and invoices. The FMC J 50 B 207859 A Paper Jogger increases the efficiency of sorters, readers and other data processing machines by aligning and separating material first. The FMC J 50 B 207859 A Paper Jogger offers a choice to come as a floor stand model for additional cost.
