### PRODUCT DESCRIPTION

The Lassco CR 50XP Corner Rounder is a floor model Corner Rounder or Corner Cutter that is powered by an air compressor or in plant air. It cuts radii ranging from 1/16 to 1 inch and has a maximum cutting capacity of 1/2 paper sheets. Stepping on the air powered foot pedal causes the cutting head to descend and shear off the edges of the material. The air compressor may be purchased separately or you may use your in plant air feed system. Comes with standard 1/4 cutting unit call to order other sized cutting units listed below .
