PRODUCT DESCRIPTION

The Standard DocuFold Paper Folder features the easiest set up of any suction feed folder available. All 6 preset fold patterns which can be customized, are calibrated automatically, as the length guide is set into position. Crisp sharp folds are made automatically for any length sheet up to 17 long. Perforating and scoring is accomplished by removing the lower fold guide. Unit is shipped with one perforation wheel and one scoring wheel. The DocuFold will fold coated stock up to 80 pound and cover stock up to 110 pound weights.
