PRODUCT DESCRIPTION

The 502 CD shredder was designed to disintegrate and wipe out all pertinent information from compact disks, floppy s, DVD s and more. This portable, compact model glides easily around the room on mounted casters. The 502 CDROM shredder is built to cut all media types mentioned above into unreadable shredded strips with its hardened steel cutters. Up to 1200 units can be shredded per hour. Integrated safety features eliminate injury and onboard control panel feedback makes it simple to operate. The 502 CD shredder has a built in collection bin that is divided into two sections for easy waste disposal, and appropriate recycling.
