PRODUCT DESCRIPTION

Widmer Computer Time Attendance System iButton Whether you have 5 or 100 employees, the Ceres iButton system is the most cost effective time and attendance product you can purchase. The total hours worked, including three overtime categories, are automatically calculated and the data can be exported to other payroll databases Ameripay, Quickbooks, Paychex etc. Each employee is assigned a unique iButton. The iButton lasts up to 1 million reads and has a life expectancy of 10 times that of a credit card type badge system.
