PRODUCT DESCRIPTION

The GBC 2250X cross cut paper shredder provides maximum security and greater bulk reduction. It s great for the individual with heavy shredding needs, the small office, or a department with low shred volume. Its cross cut mechanism reduces the sheets of paper into over 275 unreadable 5 32 x 2 5 32 chips and handles paper clips and staples with ease. It shreds up to 10 sheets of paper at a rate of 20 feet per minute. The 2250X shredder features include an automatic on off setting and a bag full automatic shut off that notifies you when the bag needs to be changed. Separate power lights indicate whether the power is on, bin is full, overloaded or door is ajar.
