PRODUCT DESCRIPTION

The 480 HS high security shredder comes equipped with a paper tray built in for easy feeding of standard office documents and 132 column continuous forms. This model meets the Department of Defense standards for high security shredding. The powerful cutters slice up to 10 sheets at a time into secure 1 3/2 x 7 1/6 shreds. It features automatic start stop operation allowing the operator the convenience of one handed shedding. The 480 HS will automatically stop when the bag is full or door is ajar. The machine alerts the operator of all functions with indicator lights. A 41.2 gallon waste bin capacity eliminates the need for constant bag changes.
