PRODUCT DESCRIPTION

The Fellowes 320 HS high security shredder meets the standards set by the Department of Defense for secure shredding of top secret information and confidential documents. DOD level shredders are paper shredders and paper clips and staples cannot be introduced into the cutting heads. The 320 HS shreds up to 5 sheets of paper at once into 1 32 x 7 16 pieces. With its 1 3 horsepower engine, it shreds at a speed of more than 30 feet per minute. It has a 10 wide entry feed for easy standard office document feeding. Its automatic start stop feature allows for one handed operation. The waste bin holds up to 15.8 gallons 69L of shredded material. The 320 HS has a bin full and open door automatic cut off with indicator lights for safety. Gray color.
