PRODUCT DESCRIPTION

Acroprint ED Manual Date Stamp The Acroprint ED Manual Date Stamp, a model in the Acroprint E Series of Time and Date Stamp Machines you simply insert a document and in an instant you have an indisputable record of date including the Money, Day and Year. You can also place Alpha numeric Text and or Graphics above and below the Stamped Date. The Acroprint ED model is a Date Stamp with a MANUAL date advance. If you choose not to have to manually change the date every day, then look at the Acroprint ET and Acroprint ETC Series. Acroprint Document Control Stamps including the ED, and the ET and ETC heavy duty desktop stamps give you adjustable printer control, so you can imprint on a wide range of documents up to 1/4 thick. The stamper can even penetrate multi page carbon packs. Accessories that can be bought for this machine include An Extension Trigger to allow printing 1/8 to 1/9 16 from edge of form e.g. if you are considering using this as a Check Endorser and need to comply with Federal Banking Regulations Reverse Type for printing at the bottom of the document An Adjustable Platform to help registration insertion of documents Electric Interlock to prevent accidental printing Upper or Lower Die Plates for any custom engraved message that suit your needs or desires. Text plates can have up to four lines of Text above and four lines of Text below the Time Date line 19 characters per line including spaces . The machine comes with a PURPLE Ribbon inserted. Other colors are available at an additional charge. See ordering options below and specify your message in the Notes Box in the Shopping Cart when completing your order.
