PRODUCT DESCRIPTION

The MBM 2230 SC strip cut shredder features a powerful cutting head that destroys staples and paper clips with ease. The three position power rocker switch allows the user to toggle from stand by, stop, and reverse functions. A photo cell installed in the cutting head starts and stops the machine automatically for one handed shredding. It can shred up to 7 sheets of paper at a time. The shredder includes pearl gray waste bin and is sure to complement any office environment.
