PRODUCT DESCRIPTION

The MBM 2402 SC 316 strip cut shredder, with its 3 16 shred size, maintains security throughout a growing office. It has the capacity to shred up to 14 sheets of paper at a time. It features clearly arranged symbols and a pilot light for easy operation. An electronic door safety switch stops the cutting heads as soon as the door opens. The 2402 SC 316 automatically stops when the shred bag is full or paper jams. It comes equipped with a flap for non confidential waste, so a separate garbage receptacle is not required. A special feature is this machines larger cabinet, cutting down the number of shred bag changes. The cabinet comes complete with casters and rolls for easy maneuverability around the office.
