PRODUCT DESCRIPTION

The CoilMac 41 ECI 4 1 pitch has a complete system of functions and a built in electric coil inserter. Equipped with 53 die disengagement pins, side margin control that provides an evenly centered punch for all document sizes, waste drawer, and coil selector, the CoilMac 41 ECI is the ideal partner for larger volume workloads. The electric roller inserter foot pedal operated allows the free use of both hands and grants the operator complete control of the roller. The Coilmac 41 ECI drastically reduces time and costs by making the inserting surprisingly fast and easy.
