PRODUCT DESCRIPTION

The Lassco CR 50P Corner Rounder is an electric floor model corner rounder corner cutter that cuts radii ranging from 1/16 to 1". It has a maximum cutting capacity of 1/2 paper sheets and is designed to primarily cut paper and plastic. An electric foot pedal powers the machine and causes the cutting head to descend and shear off the edges of materials at 30 cuts per minute. Comes with standard 1/4" cutting unit call to order other sized cutting units listed below.
