PRODUCT DESCRIPTION

The Plastikoil PBS 1500 is an electric plastic coil inserter designed to meet high volume needs. Set the document into place, press the foot pedal, and the finished document is bound with plastic coil. It comes with a cabinet for placement, a set of 7 mandrels, 2 seamless belts, and finishing pliers for assured quality and efficiency. It is specifically designed to work with longer 3 foot coil lengths which means less reloading and higher productivity. Accommodates books up to 250 sheets 1 thick . Production binds books up to 350 at a time. Spool of plastic coil sold separately.
