PRODUCT DESCRIPTION

ABE 700 5 Date, Top Bottom Line Electric Security Perforator The ABE 700 5 electric perforator marks up to 20 documents with the current date on the top and bottom of each document at one time. Simply place the document under the stamp and it will automatically perforate. Plates can be purchased for numbering, canceling, receipting, validating, and encoding. The removable die block makes replacing word dies a snap. Its heavy duty alloy died casting ensures a long lasting life. Click on the supplies icon to view the most popular perforator plates.
