PRODUCT DESCRIPTION

ABE 700 4 Date and Top or Bottom Line Electric Security Perforator The ABE 700 4 electric security perforator marks up to 20 documents with the current date and can be set to print the information on the top or bottom line of each document. Simply place the document under the stamp and it will automatically perforate. Plates can be purchased for numbering, canceling, receipting, validating, and encoding. The removable die block makes replacing word dies a snap. Its heavy duty alloy died casting ensures a long lasting life. SPECIFICATIONS
