### PRODUCT DESCRIPTION

The Hedman HE 1600 is a electronic 12 digit check writer with advanced features. Amounts are printed with unique, double height numerals designed to stifle alteration. Special prefix and suffix imprints prevent additional numbers from being inserted and account and signature suppression limits improve manager s control over high amount disbursements. Three different reports list, summarize and total all transactions for simplified reconciliation. Handles up to 4 different accounts and can void checks and subtract amounts from disbursement balance.
