### PRODUCT DESCRIPTION

Widmer Model 0 3 Fixed Impression Imprinter Check Endorser and Fixed Stamper The Widmer O 3 can be used as an automatic text, print, graphic stamper, or as a check endorser. The O 3 is an automatic fixed die stamper or imprinter with a Brass Plate engraving area of 2 W x 1 7 8 H. This machine is best for imprinting on items where the message remains constant. Ideal when used as a check endorser, for validation of documents, special instructions on specific orders, shipping instructions, etc. The simple action of inserting the document triggers the printing operation. No handles to pull or buttons to push. It features adjustable stamping pressure for multiple forms penetration. Rugged metal construction Case lock Easy ribbon change Instantaneous trip Brass engraved dies The O 3 is available in other voltages and cycles including 220 voltage. For use as a check endorser the optional extension trigger is required so that placement of the endorsement is in compliance with Federal and State banking requirements. For a precise and consistent horizontal placement of the endorsement without having to visually place and center each check the Optional Adjustable Guide Shelf is recommended. Other Imprinters Check Endorsers are available. If you are looking for an imprinter where you can change the message see the R 3 model. Product I.D. 12793 .
