PRODUCT DESCRIPTION

The Widmer O 3 can be used as an automatic text, print, graphic stamper, or check endorser. The O 3 is an automatic fixed die stamper or imprinter with a Brass Plate engraving area of 2 W x 1.875 H. This machine is best for imprinting on items where the message remains constant. Ideal when used as a check endorser. The simple action of inserting the document triggers the printing operation. No handles to pull or buttons to push. For validation of documents, special instructions on specific orders, or shipping instructions. It features adjustable stamping pressure for multiple forms penetration. The O 3 is available in other voltages and cycles including 220 voltage. For use as a check endorser the optional extension trigger is required so that placement of the endorsement is in compliance with Federal and State banking requirements. If you are looking for an imprinter where you can change the message see the R 3 model. Product I.D. 12793 . Want to add the Date look at the D 3 Product I.D. 12792 .
