PRODUCT DESCRIPTION

The Formax FD 500 is a continuous form, heavy duty tabletop burster that can separate from one to six part forms. The Formax FD 500 burster has side trimmers and operates at a fixed speed of 90 feet per minute. Its adjustable burst bar compensates for documents with various weights and perforations. The adjustable side trimmers for easy side margin removal are included. OPTIONS Tractor feed to ensure accurate registration for multi set bursting and trimming of documents such as checks.
