PRODUCT DESCRIPTION

This Item Has Been Discontinued, The Full Current Martin Yale Product Line Can Be Found On This Site The Martin Yale 3800AP Automatic Perforator and Scoring machine will slit and perforate sheets of up to 14 inches wide. The 3800AP paper perforator can process up to 12,000 sheets per hour. Its bottom feeding mechanism allows for continued processing in that additional paper can be added at any time. The depth control adjustment compensates for varying paper thickness. This unit is shipped with a standard 10 tooth per inch perforating wheel and two scoring wheels.
