PRODUCT DESCRIPTION

The Kobell 8600 and 8700 Series Currency Counters are bank quality bill counters designed to help make your currency counting and money handling operation run as smoothly, reliably and quickly as possible. The Kobell 8750 UV Currency Counter is specifically designed to eliminate jamming, greatly reduce sensor clogging and it is extremely quiet. With a hopper capacity of 400 bills and two counting speeds 800 and 1350 bills per minute, the 8750 UV money counter is ideal for counting and batching large amounts of sorted banknotes. This Kobell 8750 UV uses Ultra Violet Light to detect counterfeit bills. Kobell currency counters are available with or without optional Ultra Violet and or Magnetic Ink Counterfeit Detection.
