PRODUCT DESCRIPTION

The Kobra 400 C4 is a high volume, cross cut shredder designed to shred large quantities of paper. It has the capacity to hold up to 42 gallons of shredded material before a bag change is needed. The 400 C4 shredder shreds up to 32 sheets at a time into 1 8 x 1 3 4 pieces. The state of the art electronic features include automatic start stop reverse. It comes equipped with a heavy duty chain drive, steel gears and a continuous duty motor. The cutting head destroys credit cards, staples and paper clips. If a paper jam should occur, the automatic reverse will clear it with ease. The bearing mounted removable waste bag allows for easy emptying operations. An adjustable, space saving computer forms top shelf is available at an additional charge.
