PRODUCT DESCRIPTION

The GBC 5220S straight cut shredder is perfect for centralized use in small to mid sized companies with large shredding needs. This office shredder features an extra wide 15 throat that can handle EDP sized paper. It has the capacity to shred up to 22 sheets of paper at a time. The cutting head shreds paper down to secure 1 4 pieces, tackling 40 feet of paper per minute. It comes equipped with separate indicator lights for Power On, Bin Full, Feeder Overload and Door Ajar, keeping the user informed of all shredding operations. The large 32 gallon shred bin affords longer times between bag changes. An optional forms rack is available for easy feeding of continuous forms.
