### PRODUCT DESCRIPTION

The Standard Business Systems Jog Fast tabletop paper jogger can be used on any office desk and takes up very little space. The SJF01R Paper Jogger jogs paper with thousands of tiny vibrations per minute, dissipating electricity and aligning the edges efficiently for gathering, folding, collating, binding and more. The Standard SJF01R Paper Jogger is capable of jogging up to one full ream of letter size paper or one half ream of 11 x 17 sheets. Sheets of different sizes may be jogged at the same time. Paper Jogging is a simple solution when neat, defined stacks of paper are required.
