PRODUCT DESCRIPTION

Our fastest tabletop coin counter. The CS 2000 Coin Counter is one of the fastest 2,200 coins per minute and most reliable machine we have ever tested. Standard hopper capacity allows for almost 4,000 coins to be counted in one operation. With optional hopper extension, up to 9000 coins can processed in a single counting operation. Operational features include continuous count, batch counting with memory settings, coin wrapping and coin bagging capability. No extra items are needed. The CS 2000 package includes a large reject attachment, coin tube attachment for shotgun shell wrappers and a cotton coin bag. 1000 coin wrappers are included in the purchase price one size .
