PRODUCT DESCRIPTION

The Oztec 8001 OS is ergonomically designed for easy feeding of paper with its open frame, high stability stand. The stand is made of rolled steel tubing and allows front access to the machine. The 8001 OS shredder strip cuts up to 43 sheets at a time into 1 4 pieces. Features include a Quick Stop button, re set switch, automatic and visual indicators to keep the operator informed. Paper clips and staples are accepted in to the cutting head without damaging the mechanism. The 800i OS is equipped with the Oztec lock and key security system to prevent unauthorized use. Stand included.
