### PRODUCT DESCRIPTION

Intimus 852CC Cross Cut Shredder The Intimus 852CC cross cut shredder is designed for large offices who need to do a lot of information or paper shredding. By consolidating all of your office paper shredding using one large paper shredding machine you can not only save on shredding costs but can also save on the soft costs of having your highly compensated employees shredding documents. Using the 852CC cross cut paper shredder you can handle the large volumes of paper shredding that a big office can produce without any problem and without sacrificing security. In fact the 1 8 x 1 1 2 shredded paper particles that the 852CC paper shredder creates are virtually impossible to reassemble even with the assistance of a computer . The Intimus 852CC paper shredder can shred between 70 80 sheets at a time with a maximum speed of more than 70 feet per minute. The Intimus 852CC Cross Cut Paper Shredding Machine can handle documents with staples and paper clips too, so you don t need to worry about removing those before you shred your documents. Plus, the huge shred container underneath the Intimus 852CC cross cut paper shredder makes bag changes less frequent allowing you to increase productivity. Check out the Intimus 852CC Centralized Industrial Paper Shredder today. FEATURES Easy keyboard operation with rotary main switch Automatic reverse in case of paper jam Optical or audible fault indication Wide slot feed opening for flat paper large hopper accepts entire bin full Large capacity, fully enclosed dust free mobile base with removable catchbasket Continuous duty motor maintenance free Easily handles documents with staples and paperclips Shred Size 1 8 x 1 1 2 Shred Type Cross cut Capacity 70 80 sheets Speed 47 71 ft. per minute Throat Size 17 inches Shred Container 7.2 cubic feet Supply Voltage 220v Power Consumption
