PRODUCT DESCRIPTION

The GBC 2230S paper shredder is a light weight unit featuring 9 1 4 feed. It allows up to 16 sheets of paper at one time. The cutter straight cuts full sized sheets of letter paper into 1 4 strips without folding. Features include automatic on off setting and visual indicators for Power On, Bag Full, Overload, and Door Ajar. The 2230S shredder has a continuous duty motor which prevents against overheating, never needing a cool down period. This model is great for personal use and small businesses that do not require large amounts of paper to be shredded.
