PRODUCT DESCRIPTION

The Oztec 1050 EC has a medium capacity 10 wide throat capable of shredding up to 33 sheets of paper. It features the Oztec effective approach to protecting your confidential material. Its special lock and key feature prevents unauthorized shredding by requiring the user to unlock the machine before use. Its extra large cabinet holds more shredded material. The 1050 EC also features a Quick Stop button for added safety, a re set switch and visual indicator lights to keep the user informed of shredding operations. The faster 1 2 horsepower, continuous duty motor, does not require a cool down period. When the bag is full the 1050 EC automatically stops so the contents of the waste bin can be removed. Doors swing open to provide easy access to the bag. An enclosed high capacity cabinet is included.
