### PRODUCT DESCRIPTION

Widmer S 3 Check Signer Maximum Height of Documents that can be inserted into the stamp and the stamp will still print 3 8 inch. If you anticipate inserting documents that are close to the acceptable limit into the machine, we recommend you purchase the Custom Baffle. The Widmer S 3 Check Signer is perfect for a small business. Though compact in size, compared to other Check Signers, the Widmer S 3 is very durable with its metal cast construction and secure Dual Lock System. The simple action of inserting the check triggers the signature imprint. Optional tri color ink ribbons are available for additional security. The purchase price includes a single Signature Plate Double Signature Plates are available for an additional 92.00 . Additional and Replacement Signature Plates are also available. A signature form will be sent to the customer upon purchase and the original needs to be returned. This form will be used to create a customized Signature Plate. Comes with one FREE Ribbon inserted into the Stamp. Choose a Blue, Black, Red, Green or Purple Ribbon. If you are scanning in color, Purple is the recommend color as it shows up best. Indicate your color choice in the Order Notes in the Shopping Cart. Security Features Dual lock system Case lock Electric Security Lock Visual counter Removable die holder Simply push a lever to remove the engraved plate which may be mounted to the holder in any of four directions to accommodate almost any check or document. Features Instantaneous Trip. The simple action of inserting a check triggers the electronic printing. No handles to pull or button to push. Reasonable Price especially when all the built in features are considered Adjustable Guide which makes placement of the Signature on a check Simple, Easy and Fast Rugged Metal Case for Sturdiness and Durability Brass Signature Plate
