### PRODUCT DESCRIPTION

The Preferred Pack PP3040 W is a semi automatic wire seal L Sealer shrinkwrapper that is perfect for midsize volumes. It is a compact unit that can be transported from site to site. One person operation is simple and efficient. Simply move the package into the sealing area, over wrap and move product into the attached optional shrink tunnel. With a very generous 30 inch wide and 40 inch long work surface, the PP3040 W can accomodate very large products. Recommended Shrink Tunnel PP3610.
