PRODUCT DESCRIPTION

This item is DISCONTINUED The KOMBO by Ibico is a multi die combination punch and binder that features 21 disengageable dies for different punching patterns. The dies allow you to punch all types of holes, without the need to paper drill first. Alignment guide is included to assist the user in correctly setting paper. Simply set the alignment guide, insert the document, pull the handle twice, and the document is bound. 4 position punching depth selector allows for various punching options. Adjustable binding mechanism for different binding needs. Punches up to 20 sheets per punch and binds documents up to 425 sheets 2 thick . Also punches up to 30 three hole sheets per punch for three ring binders. Binds documents up to 12 long.
