### PRODUCT DESCRIPTION

The Acroprint EN is a six digit numbering machine with an auto advance feature. This unit can be customized to print numbers up to 11 digits long. The number is set via a type wheel. The EN is part of the ET series of heavy duty desktop stamps. They feature adjustable printer control, so you can print on a wide range of documents up to 1/4 thick. The stamper can even penetrate multi page carbon packs. Accessories that can be bought for this machine include an extension trigger to allow printing 1/8 to 1/9 16 from edge of form, reverse type for printing at the bottom of the document, an adjustable platform, electric interlock to prevent printing when case is open and upper or lower die plates for custom engraved message.
