PRODUCT DESCRIPTION

Widmer N 3 Electronic Number and Date Machines Comes with one FREE Ribbon inserted into the Stamp. Choose a Blue, Black, Red, Green or Purple Ribbon. If you are scanning in color, Purple is the recommend color as it shows up best. Indicate your color choice in the Order Notes in the Shopping Cart. The Widmer N 3 is a very fast and efficient machine for numbering and dating invoices, purchase orders and documents of all types. Eliminates the need for pre numbered forms, and is a versatile and economical way to control your paperwork flow. The N 3 printing head has 6 wheels. Consecutive action will advance with each stamping. Available with either consecutive, duplicate, triplicate or quadruplicate action but not a combination of these . Any combination of number, letter and dash wheels up to 11 wheels. Wheels in excess of 6 must be advanced manually . The Model N 3 can be furnished with repeat switch and guide platforms available for special print locations. The insertion of the paper activates the trigger for split second stamping. A new, open throat allows greater accessibility documents of letter size or small tickets may be inserted with ease. The trigger can be adjusted to allow a selection of print locations. The other important feature is the stamping blow which can be increased to penetrate carbonized forms and pressure sensitive carbonless forms. Maximum Height of Documents that can be inserted into the stamp and the stamp will still print 3 8 inch. If you anticipate inserting documents that are close to the acceptable limit into the machine, we recommend you purchase the Custom Baffle.

FEATURES Instant operation Lasting performance Elegant appearance two tone light and dark grey finish Accurate numbering Penetrates forms Quality impressions The Model N 3 is simple to operate just plug into an
