PRODUCT DESCRIPTION

The Oztec 8001 OHS is a heavy duty, strip cut shredder best suited for mass production shredding. It is custom designed to allow bailers, large boxes, or carts to collect the shredded material beneath the machine. It is capable of shredding large quantities of paper, including clips and staples. The 8001 OHS features Quick Stop button for added safety, re set switch, automatic on off and visual bag full indicators to keep the operator informed. The 8001 OHS has the special lock and key system to prevent unauthorized use. The open high capacity stand is included and uses extra large shred bags.
