PRODUCT DESCRIPTION

The Oztec 1050 OS medium duty shredder features an open frame design, allowing the user to monitor shredding operations. Its special lock and key feature prevents unauthorized shredding by requiring the user to unlock the machine before use. The 1050 OS features a Quick Stop button for added safety, re set switch and visual indicator lights to keep the user informed of shredding operations. It has a 10 wide throat that cuts up to 33 sheets at a time into 1 4 strips. The powerful 1 2 horsepower, continuous duty motor never needs a cool down period. When the bag is full, the 1050 OS automatically stops so the contents of the waste bin can be removed. Includes high stability stand made of rolled steel tubing for shredder. Stand is equipped with wheels for maneuverability around the office.
