### PRODUCT DESCRIPTION

Widmer R 3 Removable Die Imprinter Check Endorser R 3 Comes with one FREE Ribbon inserted into the Stamp. Choose a Blue, Black, Red, Green or Purple Ribbon. If you are scanning in color, Purple is the recommend color as it shows up best. Indicate your color choice in the Order Notes in the Shopping Cart. The Widmer R 3 can be used as an automatic text, print, and graphic stamper, or check endorser. The R 3 is an automatic fixed die stamper or imprinter with a Brass Plate engraving area of 2 W x 1.875 H that can be changed with ease. The R 3 is the same as the O 3, only the die plate is changeable on 1 3 4 x 1 7 8 area. This machine is best for imprinting on items where the message is changed frequently. Simply depress the lever to remove and replace the message die plate with another one. Provides complete flexibility or security from unauthorized use. Just remove or switch the message plate when used as a check endorser. The simple action of inserting the document triggers the printing operation. No handles to pull or buttons to push. Use the R 3 for validation of documents, special instructions on specific orders, or shipping instructions, etc. It features adjustable stamping pressure for multiple forms penetration. To use the R 3 as a check endorser the optional extension trigger is required so that placement of the endorsement is in compliance with Federal and State banking requirements. Maximum Height of Documents that can be inserted into the stamp and the stamp will still print 3 8 inch. If you anticipate inserting documents that are close to the acceptable limit into the machine, we recommend you purchase the Custom Baffle.

**FEATURES** Rugged Metal Construction Case Lock Easy Ribbon Change Instantaneous Trip Brass engraved dies Electronically adjustable penetration

**SPECIFICATIONS** Dimensions 7 1

### PRODUCT SPECIFICATION
