PRODUCT DESCRIPTION

The Olson Rite Angle Folder is a 14 x 20 patented Right Angle Paper Folder that will roll and fold any size up to 14 x 20 and allows you to fold right angle in line. The turntable ball rotates the signature 90 degrees to enter the adjustable side guide to assure positive registration before folding. This advanced system keeps the signature to be folded under complete control at all times. The balls and belts are always in direct control with no slippage to insure fast, accurate folding. This versatile unit will allow you to fold all right angle folding jobs in one simple operation at higher speeds. The Olson Rite Angle Paper Folder is compatible with all makes of 14 x 20 Paper Folders and can be used in conjunction with Perforators, Scorers, Numbering Machines, Bursters, Stitchers, and more. Some of the many features of this Right Angle Paper Folder include positive sheet control, micro fold stop settings, self adjusting fold roll tension, and self aligning bearings for long life. A Folding Position Chart and quick and easy set up make this Right Angle Paper Folder extremely easy to use.
