### PRODUCT DESCRIPTION

The FMC J 50 B 212948 A single deck tilt tray paper jogger easily aligns stock loads up to 15 pounds prior to cutting, trimming, collating or folding. The single tilt bin provides perfect alignment of mail while still in the transit tray for optical character readers or bar code sorters at the post office; making it a great mail assistant for post offices, offices, or the home. The FMC J 50 B 212948 A Paper Jogger is great for jogging checks, providing essential friction to separate each sheet. Material may need operator guidance when jogging larger loads.
